

NATIONWIDE RADON WEBINAR FOR REAL ESTATE PROFESSIONALS

Date: January 19, 2022

Time: 3PM-4PM ET/2PM-3PM CT

Cost: FREE

Join the American Lung Association for a potentially life-saving webinar about the hazards of radon gas, the second leading cause of lung cancer in the US. You'll learn about the health concerns related to radon, what steps to take to measure and mitigate radon levels, and how to address this important topic during real estate transactions.

Register [online](#) now to save your spot!

All live webinar attendees will have the option to receive a certificate which can be used towards local continuing credit applications.

Presented by:

This program has been funded wholly or in part by the United States Environmental Protection Agency under assistance agreement 83924601 to the American Lung Association. The contents of this program do not necessarily reflect the views and policies of the Environmental Protection Agency.
