# Missouri and Minnesota Contests

Missouri – Poster contest currently underway

Minnesota – Poster and video contest coming in FY 2024

## 2023 Missouri Radon Poster Contest Opportunity for Students

Radon is a colorless, odorless, tasteless, radioactive gas produced by the natural decay of uranium in the soil. Exposure to elevated radon levels increases the risk of developing lung cancer. Radon is the leading cause of lung cancer among non-smokers and is the number one cause of death in homes, surpassing falls, poisoning, fires, choking, and drowning. As all Missouri counties are considered at high risk, this contest provides an opportunity to educate Missouri youth and the public. By participating in this activity, students will learn about radon and to reduce their risk of exposure.

In order to spread the message about radon's health hazards, the American Lung Association and the Missouri Department of Health and Senior Services, in partnership with the U.S. environmental Protection Agency, Region 7 and the Missouri Radon Coalition host the annual statewide Missouri Radon Poster Contest. We are once again calling on Missouri citizens ages 9-14 to create a radon poster that will increase public awareness of radon gas and encourage others to test their homes.

A state committee will select the top winning posters from the entire state of Missouri to receive awards.

**Overall winner (most total votes) will receive \$200 (1 award total)**

**1<sup>st</sup> place winner for each topic will receive \$100 (6 total awards)**

**Honorable mentions will receive \$50 (6 total awards)**

**Each winner's instructor will also receive a \$50 award (7 total awards)**

Full Contest details and additional radon information is available on the contest website at: [www.Lung.org/Radon](http://www.Lung.org/Radon). If you have questions about the contest, please email [PosterContest@lung.org](mailto:PosterContest@lung.org).

### Contest Checklist:

- ✓ Each poster has an entry form completed and attached to back of each poster.
- ✓ All information and spelling on each poster is correct
- ✓ Entries are postmarked on or before October 13, 2023
- ✓ Entries are mailed to:

**American Lung Association**  
Attn: MO Radon Poster Contest  
3000 Kelly Lane  
Springfield, IL 62711

In Partnership with:  
U.S. Environmental  
Protection Agency,  
Region 7

### Welcome

Welcome to the Radon portion of CRCPD.org. Our website includes links to Radon related [publications](#), [organizations](#) and [individuals](#) trying to make a difference by educating the public about this radiation hazard.

### What is Radon?

Radon is a colorless, odorless gas that emanates from the soil worldwide. It can concentrate in the home, and if breathed for a prolonged period of time, can cause lung cancer. In fact, the Surgeon General has warned that radon is the second leading cause of lung cancer in the United States today. Only smoking causes more lung cancer deaths.

### Who's making a difference?

CRCPD is working in partnership with [the Environmental Protection Agency \(EPA\)](#) and [the American Association of Radon Scientists & Technologists \(AARST\)](#) to help reduce the public's exposure to radon. For more, go to the "Radon Leaders Saving Lives" web portal.

### 2024 National Radon Poster and Video Contest

The CRCPD E25 Committee on Radon is pleased to announce the following details on the 2024 National Radon Poster and Video Contests. Attached are some additional details and forms (Word and .PDF). Feel free to distribute this to anybody who may be interested.

- **All states and/or tribes must submit their 1st place poster and/or video to Eleanor Diver ([edivver@utah.gov](mailto:edivver@utah.gov)) by November 30, 2023.**
- The CRCPD E25 Committee on Radon will vote on the posters and videos for the National Radon Poster and Video Contest in mid-December. Winners will be announced during National Radon Action Month, January 2024.
- The American Lung Association (ALA) will be providing the following prizes to the national winners:

# 2022 National Poster Contest Winners (CRCPD/ALA)

1st place – Alaska  
Prize: \$1,000

2nd place – Iowa  
Prize: \$300

3rd place – Colorado  
Prize: \$200

# 2022 National Video Winner (\$1,000 Prize Kentucky)
