Colorado's Low-Income Radon Mitigation Assistance Program

Margaret Horton, MPH
Radon Program Coordinator
Colorado Department of Public Health and Environment

Low-Income Radon Mitigation Assistance (LIRMA) Program

…shall provide financial assistance to low-income individuals for radon mitigation services…

Colorado Low-income Radon Mitigation Assistance Program (LIRMA)

If your home has high radon levels and you meet certain income requirements, you may qualify for a free radon mitigation system through the Colorado Department of Public Health and Environment (CDPHE).

COLORADO
Department of Public Health & Environment

You may be eligible if:

1) You own the home you live in.
2) You are a Colorado resident.
3) You qualify as a low-income household.
4) You properly test your home for radon and the levels are higher than 4 pCi/L (picocuries per liter of indoor air).
5) To see if you qualify, and/or to apply, visit: www.coloradoradon.info.

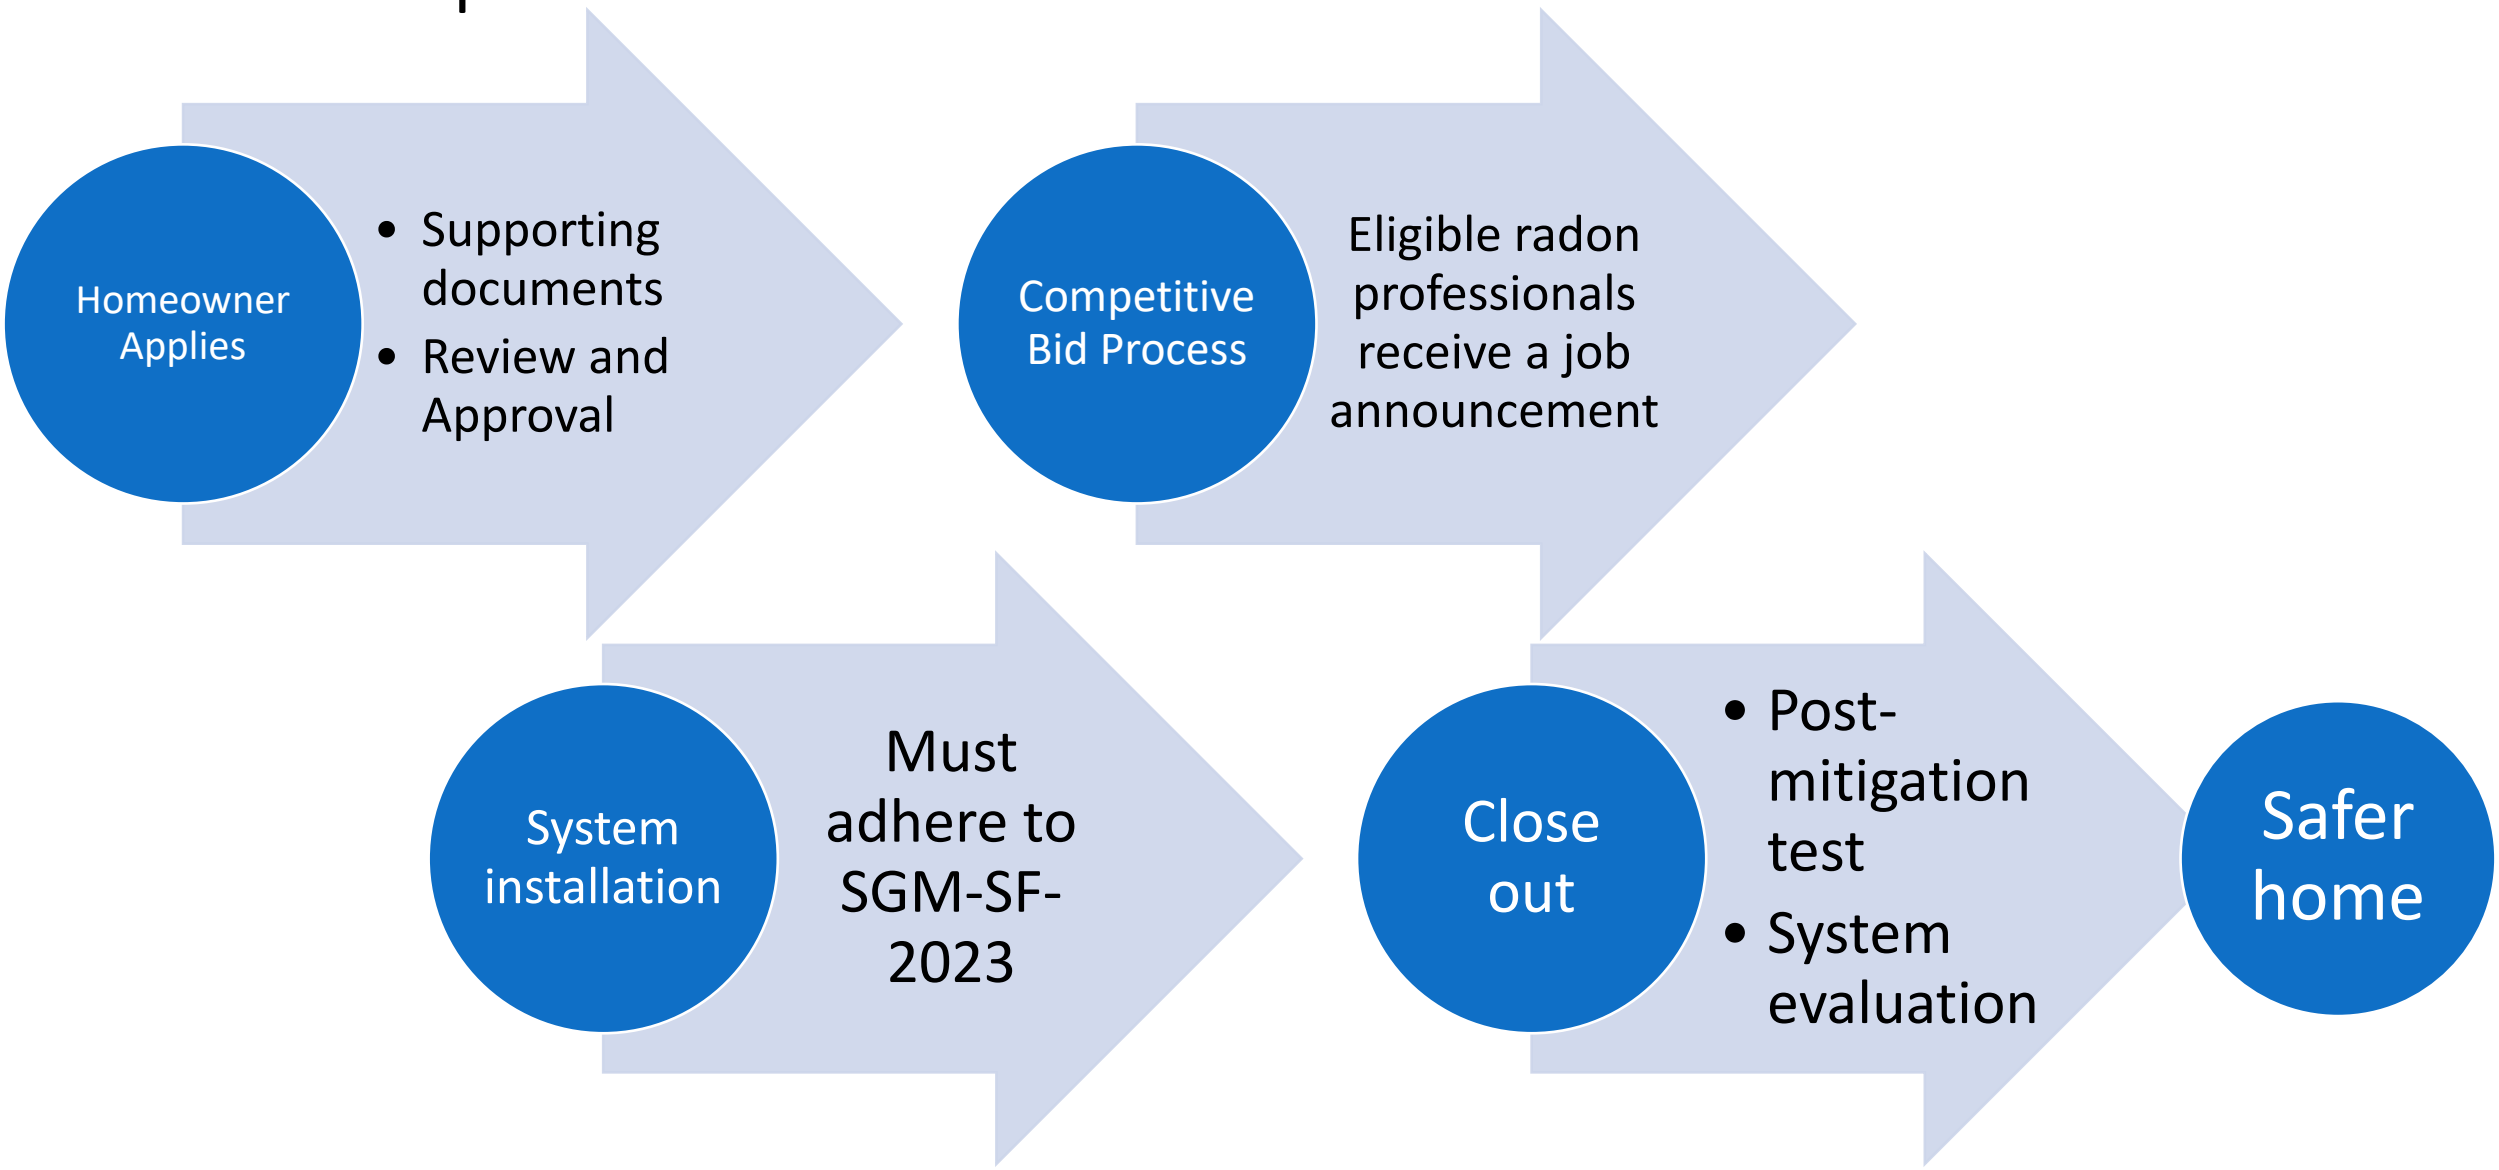

How to apply:

1) Visit **www.coloradoradon.info** and click on the "low income mitigation assistance" link.
2) Read the policy and procedures manual.
3) Complete the homeowner application.
4) Send in the required documents as indicated in your confirmation email from CDPHE:
   - radon test results
   - proof of home ownership
   - a copy of your mortgage statement
   - a copy of your Colorado identification

We hope to give up to 100 families free radon mitigation systems each year.

LIRMA process

Colorado LIRMA Program

Established in state statute (Colorado Revised Statute 25-11-114)

- Effective January 1, 2017, the department shall establish a radon mitigation assistance program to **provide financial assistance to low-income individuals for radon mitigation** in their homes. The state board of health shall set the program requirements, including eligibility requirements for financial assistance
- The department shall use money in the **hazardous substance response fund**, established in section 25-16-104.6, to finance the radon education and awareness program and the radon mitigation assistance program.

LIRMA by the numbers

February 2018 - August 2026

958

Homes mitigated

Pre-Mitigation **4.1 - 216.9 pCi/L** **vs.** **0 - 4.5 pCi/L** **Post-Mitigation**

Average Mitigation Cost: $2,167.12
